MEMORANDUM FOR THE RECORD

SUBJECT: Office of Security Review of Resumes
for Out-Placement Assistance

STATINTL 1. Following up on a conversation with [] on
9 February, I asked [] OS if they considered a system now
established whereby OS saw all resumes.

STAT 2. [] called on 14 February to say that a system
had been, and now is, in effect whereby the OS is able to satisfactorily
STAT discharge its responsibility with respect to these resumes. I told
[] that a memo from OS was not necessary.

STATINTL

I have talked with Ken
[redacted] about this and he tells
me that his final product will
require considerable development
and coordination. He has four of
his people working on it but asks
that we give him another month or
so. Let's tickle for 10 Dec.
